

SPONSOR 2 TO 50 TEAMS

FOR THE 2024 SEASON

With your donation you will be helping less fortunate teams and players get registered to qualify them to attend one of many AABC World Series Events.

AABC (American Amateur Baseball Congress) was incorporated in Michigan in 1935. As one of the oldest amateur baseball programs, AABC strives to continue to offer organized baseball programs for ages 7 to adult. Our intentions are to never turn any organization away due to financial reasons.

Would you help the AABC support all teams to participate in amateur baseball, America's pastime?
